

## **Halveswhole.com**

At Halves & Wholes we are committed to making our website accessible to everyone, which is why we are working diligently to ensure it meets ADA standards, including a level AA conformance to the Web Content Accessibility Guidelines (WCAG) 2.0. We expect to meet these standards by October 2018.

While we understand that the current site has its limitations, be assured that we are working to fix them as soon as possible. That said, if you have come to this page because of a problem you encountered on the site, please do not hesitate in reporting it to us at:

1600 ALTON ROAD
